

Dear Santa

Santa Claus and Mr. Jingleling are back in Dear Santa, stirring up far more than holiday cheer.

Kandi Kane doesn't do Christmas. Not anymore. Twenty years after losing her parents in a holiday fire, and she's yet to find joy in the world. Her only plan this December is to survive. But when her department launches a mandatory "letters to Santa" activity, she finds herself scribbling out a naughty though nice comeback.

Saint Nicholas isn't exactly decking the halls either. Left at the altar on Christmas Day, he's still carrying scars from heartbreak. He hasn't sworn off love, he just isn't chasing it. But when his adorable niece asks him to write a letter to Santa, he caves to not damper her holiday spirit.

Neither of them expects their letters to matter.

But someone is making a list and checking it twice.

When Kandi and Saint's paths cross, the attraction is instant. Between chaotic holiday mishaps, gingerbread houses collapse, and chemistry that's impossible to ignore, they start to wonder if Santa has been pulling strings from the start.

A laugh-out-loud, heart-squeezing holiday love story about unexpectedly landing in a fairytale you swore didn't exist.
